

Metallized Polypropylene Film Capacitor (For Automotive)

Series : **ECWFG**

NEW

Non-inductive construction using metallized Polypropylene film with flame retardant plastic case.

Features

- High safety (with safety function)
- High moisture resistance (85°C, 85%, 500 V.DC, 1000 h)
- High thermal shock resistance (-55°C ⇔ 85°C, 1000 cycles)
- High temperature load test (125°C, 450 V.DC, 1000 h)
- Flame-retardant plastic case and non-combustible resin
- AEC-Q200 compliant
- RoHS compliant

Recommended applications

- DC/DC, AC/DC converter circuit in xEV
- High frequency and high current circuits

Explanation of part number

- Lead pitch : 22.5 mm

- Lead pitch : 27.5 mm

Specifications

Category temp. range (Including temperature-rise on unit surface)	-40 °C to +110 °C		
Rated voltage	630 V.DC (Derating of rated voltage by 1.0 % / °C at more than 85 °C)		
Capacitance range	Lead pitch : 22.5 mm	1.0 μF, 1.5 μF, 2.2 μF, 3.0 μF	
	Lead pitch : 27.5 mm	1.0 μF, 1.5 μF, 2.2 μF, 3.0 μF, 4.7 μF	
Capacitance tolerance	±5% (J), ±10 % (K)		
Dissipation factor (tan δ)	tan δ ≤ 0.1 % (20 °C, 1 kHz)		
Withstand voltage	Between terminals : Rated voltage (V.DC) × 150 % 60 s		
Insulation resistance (IR)	IR ≥ 3,000 MΩ·μF (20 °C, 500 V.DC, 60 s)		

* In case of applying voltage in alternating current (50 Hz or 60 Hz sine wave) to a capacitor with DC rated voltage, please refer to the page of "Permissible voltage (R.M.S) in alternating current corresponding to DC rated voltage".

Guidelines and precautions regarding the technical information and use of our products described in this online catalog.

- If you want to use our products described in this online catalog for applications requiring special qualities or reliability, or for applications where the failure or malfunction of the products may directly jeopardize human life or potentially cause personal injury (e.g. aircraft and aerospace equipment, traffic and transportation equipment, combustion equipment, medical equipment, accident prevention, anti-crime equipment, and/or safety equipment), it is necessary to verify whether the specifications of our products fit to such applications. Please ensure that you will ask and check with our inquiry desk as to whether the specifications of our products fit to such applications use before you use our products.
- The quality and performance of our products as described in this online catalog only apply to our products when used in isolation. Therefore, please ensure you evaluate and verify our products under the specific circumstances in which our products are assembled in your own products and in which our products will actually be used.
- If you use our products in equipment that requires a high degree of reliability, regardless of the application, it is recommended that you set up protection circuits and redundancy circuits in order to ensure safety of your equipment.
- The products and product specifications described in this online catalog are subject to change for improvement without prior notice. Therefore, please be sure to request and confirm the latest product specifications which explain the specifications of our products in detail, before you finalize the design of your applications, purchase, or use our products.
- The technical information in this online catalog provides examples of our products' typical operations and application circuits. We do not guarantee the non-infringement of third party's intellectual property rights and we do not grant any license, right, or interest in our intellectual property.
- If any of our products, product specifications and/or technical information in this online catalog is to be exported or provided to non-residents, the laws and regulations of the exporting country, especially with regard to security and export control, shall be observed.

<Regarding the Certificate of Compliance with the EU RoHS Directive/REACH Regulations>

- The switchover date for compliance with the RoHS Directive/REACH Regulations varies depending on the part number or series of our products.
- When you use the inventory of our products for which it is unclear whether those products are compliant with the RoHS Directive/REACH Regulation, please select "Sales Inquiry" in the website inquiry form and contact us.

We do not take any responsibility for the use of our products outside the scope of the specifications, descriptions, guidelines and precautions described in this online catalog.
