Stripper No. 2 Cat

WEICON Stripping Tools enable the fast and safe stripping of all common round cables. The product range of stripping tools includes different types, which provide easy handling and accurate results.

The Stripper No. 2 Cat ensures the safe and convenient stripping of all insulated PVC data cables (e.g. Cat5, Cat6, Cat7, twisted-pair cables) with a diameter of 4.5 - 10 mm. Adjusting the cutting depth manually is not necessary. The precise adjustment of the blade removes the outer jacket accurately. With the second blade, the foil shield is slit open carefully and can then be easily removed.

Technical data:

Cable type	Cat5, Cat6, Cat7, twisted-pair cable
Einsatzbereich	outside diameter 4.5 - 10 mm
Inner blade	built-in, not replaceable
Approval/certificate	safety tested by TÜV NORD
Material	fibreglass-reinforced polyamide
Length	115 mm
Weight	28 g

Note:
Working with WEICON Stripping Tools is only permitted on zero-potential, non-current-carrying cables and wires.
