

1. General description

Heavy duty cleaner based on natural orange terpenes for safe cleaning of machinery and equipment during maintenance activities.

2. Features

- An ideal alternative to traditional solvents and highly alkaline cleaning agents.
- Safe on all metal surfaces, does not stain.
- Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use.
- Will quickly remove numerous different types of soiling and contamination.
- Suitable for use on a wide variety of hard surfaces throughout industries.
- Pleasant citrus smell.

3. Applications

- Suitable for use throughout the industry.
- Removal of oils and greases.
- Removal of tar and bitumen.
- Removes adhesives, gum, resins, non cured PU-foam and sealants.
- Designed for use on hard surfaces and fabrics. Always test a small, inconspicuous area for colour fastness before general use.
- Effectively removes a variety of contaminants from virtually any hard surface.

4. Directions

- Extremely versatile, the product may be applied manually with a brush, by scrubbing, through agitation, soaking and immersion.
- Use only with adequate ventilation.
- Test before use on sensitive materials.
- Do not use on energized equipment.
- Do not use on sensitive electronic equipment.
- Apply directly, in concentrated form.
- Allow a few minutes for good penetration.
- Wiping with a clean lint free cloth.
- Allow to dry completely before reactivation.
